# I N M E M O R Y

Bill, when you first entered our classroom door  
We were almost strangers to each other,  
But as the days turned into weeks  
And weeks turned into months  
We learned to know you and appreciate you.

You contributed much to our class  
You bound us together and gave us  
A renewed spirit when thin's went wrong.  
Your wit, your humor, your willingness to help  
Made us feel fortunate to have a guy  
Like you in our class.

Little did we know that these happy days  
Would end but, oh so soon;  
That you wouldn't live to graduate with us;  
That God would choose to call you home  
And we'd be left with only memories  
Of you to think about.

You taught us so much when you died. You showed us  
The uncertainty of life, the beauties of heaven,  
The rewards of living for God - the worth  
The power of prayer, a closeness to God  
And a longing for heaven.

And so, to you, who has lived in the past  
The figure of a Christian gentleman  
Who is gone, and yet not gone, not forgotten  
Still here, on this campus -- moving  
Walking -- talking -- the memories of you.  
To you, we dedicate this 1969 ECHO.

-Written by Esther Miller in behalf of  
The Senior Class of '69

William Eugene Miller, born  
November 4, 1950, died on July  
26, 1968, of injuries suffered  
in an auto accident five weeks  
prior to his death. Bill was  
a student here, and would have  
graduated this year.

He had a host of friends and  
was an inspiration to all who  
knew him. He left a wonderful  
Christian testimony for us.

# PRINCIPAL'S MESSAGE

The 1968-69 school term could well be considered The Year The Lord Provided. He has provided in the past for the Clinton Christian School, but the advancements made possible for this term, were miraculously provided for.

1. The Clinton Community School was leased from the Fairfield School District by the Clinton Christian School Association; not only does this provide a wonderful campus for our six-grade elementary department, but the lease price was so reasonable, it came almost as a gift. The over crowded condition for elementary and high-school has been corrected.
2. Each teacher is responsible for only one grade level with the exception of one. This is a significant step in the direction of academic improvement.
3. The shop program has been stepped up considerably. The new rooms formerly occupied by Junior High were converted into shop facilities. Thanks to the P.T.O. who purchased shop equipment consisting of table saw, jointer, sander, and drill press and other small tools. The improved shop program has stimulated a new enthusiasm among the shop students.
4. The modern kitchen at the Clinton Community School was used as a Home Ec. class-room. The students spent their first semester in learning improved cooking ideas. The second semester will be spent with sewing projects. Patrons are urging an expansion of this program.
5. The science department is stepped up with a new science lab. The lab is significantly complete and designed to accomodate very amply, and yet to cost only a fraction of most science labs. Chemistry and psychology are offered this year for the first time.
6. This year more teachers were available than were needed. Sixteen full, and part time teachers are responsible for the staffing of C.C.S. The Lord has given us sixteen fine teachers.
7. We have a student hand-book which is the result of the work of five teachers who spent two weeks of the summer workshop, under the federal curriculum-study program considering our own needs as well as the hand books of a number of other schools.
8. C.C.S. is using a decending tuition scale for the first time. The main feature is that larger families are not eliminated from the school because the wage earnings and student number do not correspond.

God be praised for His blessings and provisions. May C.C.S. continue to be obedient to His words.

# BOARD OF DIRECTORS

The Board of Directors consists of five members. They are: Perry Yoder, Chairman; Verten Gingerich, Vice-Chairman; Harry Wierich, Secretary; Stanley Schrock, Treasurer; Melvin Bontrager, Alpha Miller; Elmer D. Miller.

The school board enjoys to work with the school in making many weighty decisions for the benefit of the school. An organization of this type needs responsible persons in order to make it a success. When problems arise the board uses the best knowledge in order to promote the school. Through the years the Lord has blessed us both financially and spiritually.

We thank the Lord very much for what he has done for us in the past and trust that he will continue to lead us.

# COUNSELOR'S MESSAGE

FOUR DIMENSIONAL DEVELOPMENT

The diagram above illustrates the four-dimensional development which confronts the three institutions which are charged with the responsibility of meeting the WHOLE need of the child.

The four dimensions are so interrelated that each must develop proportionally, else the child develops abnormally.

To a counselor in a Christian school, the spiritual dimension is basic and its development is imperative, else the others are in vain. "Fear not him that will destroy the body, but rather him that will destroy the soul," "What shall it profit a man if he shall gain the whole world and lose his own soul."

David Lee Miller - He and Emanuel are birds of a feather; strong convictions.

Emanuel Miller - Future Farmer; if he isn't studying, he's got his nose buried in a book.

Floyd Miller - More often seen than heard; never over exerts himself studying.

Julia Miller - Meet her any time of the day, she's always smiling the same sweet way; neat less.

Marion Miller - Then quiet, call the Doc! When you see Marion studying very hard, you know he's been up to something.

Dale Schrock - "When it comes to a choice between work and fun, I'll take the fun;" looks innocent enough.

Ernest Schrock - An able leader; shorty; keen sense, common sense, always room for nonsense.

Kermie Schrock - Takes a long shot--two points for his team; 100% gentleman.

LaVern Schrock - His faithfulness to his literary society is greater than his stature; strong tenor voice.

LaVon Schrock - Overflowing with witty remarks; likes algebra class when no teacher is present.

Ellis Dale Shetler - If you haven't heard the latest news ask Ellis, he knows; redhead.

Keith Thomas - Mischief follows him; the basketball is safe when entrusted to his care.

Marvin Troyer - Can't find our nurse? Ask Marvin. A fellow interested in sports, but likes fooling around best of all.

Sarah Truver - Blond wavy hair; full of fun and mischief; pleasant.

Rosanna Yoder - Quiet on the surface, but way down deep!? excellent hostess.

CONGRATULATIONS CLASS OF 1969

You are at the threshold of life with the greatest opportunity any generation has ever known. Set your goals HIGH, base them on Christian Principles and you CAN achieve them.

I thoroughly believe in a college education for both men and women, but I believe a knowledge of the Bible without a college course is more valuable than a college course without a knowledge of the Bible.
